

# MASK OR NO MASK?

**IT'S YOUR CHOICE!**

We will no longer require our teachers, staff, or students to wear masks inside the school. Some of us might continue to wear masks because of:

Comfort  
levels

Health  
concerns

Families at  
home

**LET'S RESPECT EACH OTHER'S CHOICES!**

*This rule is only applicable inside the Coto school. Please follow the building's policy regarding mask-wearing in common areas such as elevators and stairways. If you have symptoms such as coughing or sneezing, we encourage you to wear a mask and notify us.*
